

ABSTRAK

Nisrina Nur Fadia, 2023. **UPAYA YAYASAN EDUCATION RELIGION BEE ENTERTAINMENT (ERBE) DALAM PROSES PEMBERDAYAAN ANAK JALANAN (Studi di Kelurahan Pondok Kopi Kecamatan Duren Sawit Kota Jakarta Timur)**. Jurusan Pendidikan Masyarakat, Fakultas Keguruan dan Ilmu Pendidikan, Universitas Siliwangi, Tasikmalaya.

Maraknya anak jalanan pada saat ini merupakan salah satu permasalahan sosial yang harus dihadapi terutama anak jalanan kota. Tujuan penelitian ini untuk memperoleh data terkait upaya yang dilakukan Yayasan Education Religion Bee Entertainment (ERBE) dalam melakukan proses pemberdayaan anak jalanan. Metode yang digunakan dalam penelitian ini yakni dengan pendekatan kualitatif. Teknik pengambilan data dalam penelitian ini diambil dari wawancara, observasi dan dokumentasi. Hasil penelitian yang telah dilakukan didapatkan bahwa upaya Yayasan Education Religion Bee Entertainment (ERBE) dalam proses pemberdayaan anak jalanan yang didasarkan dari Pedoman Penyelenggaraan Pemberdayaan Anak Jalanan melalui Rumah Singgah oleh Departemen Sosial Republik Indonesia. Meliputi penjangkauan (*outreach*), penilaian (*assesment*), perencanaan pelayanan (*planning*), pelaksanaan kegiatan, monitoring & evaluasi dan terminasi. Melalui proses tersebut, dapat dilihat upaya yang dilakukan Yayasan Education Religion Bee Entertainment (ERBE) untuk memberdayakan anak jalanan baik itu dalam bentuk pengetahuan, keterampilan dan kesehatan. Dalam pengetahuan tersebut berupa bimbingan agama islam, sekolah paket A, paket B dan paket C. Dalam keterampilan berupa pelatihan seperti salon dan *barbershop*. Dalam kesehatan berupa program pembangunan MCK (Mandi, Cuci, Kakus). Kesimpulan yang didapat dari penelitian ini yaitu anak jalanan binaan dapat memperoleh hak hak anak, meningkatnya kesadaran anak jalanan terhadap pendidikan, meningkatnya kemampuan keterampilan dan *skill* anak jalanan hingga anak jalanan berhenti turun ke jalan.

Kata Kunci: Pemberdayaan Anak Jalanan, Rumah Singgah

ABSTRACT

Nisrina Nur Fadia, 2023. ***EDUCATION RELIGION BEE ENTERTAINMENT (ERBE) FOUNDATION'S EFFORT IN THE EMPOWERMENT PROCESS OF STREET CHILDREN (Study in Pondok Kopi Village, Duren Sawit District, East Jakarta City)***. Department of Community Education, Faculty of Teacher Training and Education, Siliwangi University, Tasikmalaya.

The rise of street children at this time is one of the social problems that must be faced, especially urban street children. The purpose of this study is to obtain data related to the efforts made by the Education Religion Bee Entertainment (ERBE) Foundation in carrying out the process of empowering street children. The method used in this research is a qualitative approach. Data collection techniques in this study were taken from interviews, observation and documentation. The results of the research that have been carried out show that the efforts of the Education Religion Bee Entertainment (ERBE) Foundation in the process of empowering street children are based on the Guidelines for Organizing Street Children Empowerment through Halfway Houses by the Ministry of Social Affairs of the Republic of Indonesia. Includes outreach, assessment, service planning, activity implementation, monitoring & evaluation and termination. Through this process, we can see the efforts made by the Education Religion Bee Entertainment (ERBE) Foundation to empower street children in the form of knowledge, skills and health. In knowledge in the form of Islamic religious guidance, school package A, package B and package C. In skills in the form of training such as salon and barbershop. In health in the form of a MCK (Mandi, Cuci, Kakus) construction program. The conclusion obtained from this research is that fostered street children can obtain children's rights, increase street children's awareness of education, increase the ability of street children's skills and skills until street children stop going down the street.
