PREFACE

The thesis is entitled "**EFL Learners' Speaking Anxiety in Online Presentation: A Case Study at An English Education Department of A State University**". This thesis is submitted to fulfill one of the requirements for the Sarjana Pendidikan Degree at the English Education Department Faculty of Educational Sciences and Teachers' Training at Siliwangi University.

Foreign language speaking anxiety (FLSA) is well known as an inhibitor in language learning. The learners who have medium to high level anxiety most likely affecting their learning performance including speaking performance. In addition, the change in learning environment from face-to-face to online learning and to hybrid. there are learning activities conducted in online setting, including presentation. However, the case of foreign language speaking anxiety still happened in online learning environment. Moreover, the researcher found a case of FLSA in online presentation. Therefore, this research aims to investigate cause of EFL learners' speaking anxiety during online presentation. The first chapter contains the background of issues in foreign language anxiety in online presentations and the aim of this research. The Second chapter explained briefly; Foreign Language Speaking Anxiety, Online Presentation Challenges. In the third chapter, the research explained how the researcher conducts the research including research design, data collection, and data analysis. The fourth chapter includes data findings and a discussion about the main theme of the research result. The last chapter, contains the research conclusion and provide suggestions for future researchers who are interested in the topic.

This research can be accomplished because of the many supports of several people. The writer expresses her gratitude to them, may Allah SWT. Reply to their kindness in better ways.

The writer realizes that the research is still far being perfect. Then, the writer needs suggestions and constructive criticism from the readers to improve her writing.

Hopefully, this research can be useful and gives advantages both for myself and the readers.

ACKNOWLEDGMENTS

Finishing my own thesis has been the greatest moment in my life so far. This moment completes my college journey in the best way it could. In this precious moment, I would like to express my gratitude for everyone that contributes to my journey.

1. Yusup Supriyono, *S. Pd., M. Pd. as the* Head of English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya,
2. Fera Sulastri, *S. Pd., M. Pd.,* as the first supervisor who has given corrections and guidance in finishing this research proposal,
3. Drs. Ruslan, *M. Pd.,* as the second supervisor who has given suggestions and guidance in writing this research proposal,
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya,
