

ACKNOWLEDGEMENTS

I would like to express my deepest gratitude and appreciation to all those who have contributed to the completion of this thesis. Their support, guidance, and encouragement have been invaluable throughout this journey.

1. In loving memory of my dear mother, I want to express my gratitude for the profound impact she had on my life. Though she is no longer with us, her love, guidance, and support continue to shape who I am today. She was my ultimate inspiration, my rock during challenging times. She believed in me when I doubted myself. Her unconditional love and sacrifices will forever remain etched in my heart. I dedicate my accomplishments and successes to her, as a testament to her profound influence on my life. I am forever grateful for the love, strength, and lasting impact of my beloved mother.
2. I am eternally grateful for the unwavering support and motivation provided by my father, who has been my ultimate source of inspiration. His sincere prayers, support, and boundless love have been instrumental in shaping my journey. I express heartfelt appreciation for his prayers and his ceaseless encouragement to bounce back and face challenges with strength and resilience.
3. I am incredibly fortunate to have my beloved sisters and brother, Imas Sukarsih, Sri Utami, Mochammad Abdul Akbar, and Dini Egi Lestari, by my side throughout this entire journey. Their unwavering presence and support have been invaluable to me. I am deeply grateful for their constant presence and consider myself truly blessed to have them in my life.

4. I would like to express my heartfelt appreciation to my wonderful nephews and nieces, Albyna, Huurun, Alzeeshan, Adzkar, Alwi, and Sayyid for their love and joy. They have brought immense happiness and a renewed sense of purpose. Their innocent smiles, boundless energy, and inquisitive minds have reminded me of the beauty and wonder in the world. Thank you for bringing light and laughter into my days.
5. Thanks to my extended family. I am grateful to the numerous individuals who have assisted and supported me in completing my BA thesis.
6. I am immensely grateful for the unwavering presence and friendship of Sinta Sri Meliana. This incredible individual has been by my side since the beginning of my college journey, from our first semester to our final days in college. I express my deepest gratitude for her loyalty and belief in me. I sincerely wish her all the happiness and success in her future endeavors.
7. My cherished classmates, Bumble B 2016. Our journey commenced as a collective, where embarked on the path of learning within this department. Together, we encountered the joys and challenges of being undergraduate students. As we progress, I eagerly anticipate our reunion at the pinnacle of success.

I am truly grateful for the remarkable support system that surrounds me. Words fail to fully capture the depth of my gratitude, but please know that I would forever cherish and remain thankful for the presence and impact of every individual in my life.
