

## **PREFACE**

Alhamdulillah, thanks to Allah *SWT*'s mercy and grace, the researcher was able to finish the first thesis. For this, I give Him honor and thankfulness. In order to complete one of the requirements for earning a Bachelor's degree in English Education program at Siliwangi University's Faculty of Teacher Training and Education, this proposal was created. The title of this research is; "INVESTIGATING THE BENEFITS OF LEARNING ENGLISH VOCABULARY WITH NAB ON INSTAGRAM," which was chosen by the researcher.

As the writer, I realize that this research is still far from perfection. I welcome suggestions and constructive criticism from the readers to improve my writing. Hopefully, this thesis can be useful and give me and the readers advantages.

Tasikmalaya,

Sari Utami Dewi
