

ACKNOWLEDGEMENT

The greatest moments in my life were when I found a part of my life and the supportive people surrounding me. They play an important role, which makes me believe that I am able to complete this thesis. Furthermore, I proudly express my love and thanks to the following people:

1. Head of the Faculty English Education Department of the Faculty of Education Sciences and Teachers' Training of Siliwangi University, Tasikmalaya
2. Santiana, *S.S., M.Pd.* as the first supervisor;
3. Arini Nurul Hidayati, *S.Pd., M.Pd.* as a second supervisor;
4. My beloved parents for their prayer, support, and everlasting love. Every time my parents pray for me, the hard work for me makes me feel happier than before. I always try to be perfect to make them feel proud of my achievements. I love you, and I am glad to have everlasting love.
5. My beloved sister, brother, and boyfriend reminded me to finish my study and also as a support family to make my family complete.
6. My beloved friends. We began the story together, started to learn anything in this department, won the trophies event, and experienced university students.

Finally, I would like to thank everyone who is important for the successful realization of this undergraduate thesis. I believe to be successful. Our courage must be greater than our fear. Enjoy the process and always believe that we can do it.
