***ABSTRACT***

*The background of this research is that the Kirab Ngabumi Traditional Ceremony is a Traditional Ceremony as a form of gratitude to Allah SWT for having been given abundant natural resources. The Pulo Majeti people in their daily lives are related to nature both in the fields of agriculture, plantations, fisheries and animal husbandry. The existence of this research is to find out the stages of carrying out the Kirab Ngabumi Traditional Ceremony in Pulo Majeti, Purwahaarja Village, Purwahaarja District, Banjar City. In addition, it is also to find out the value of local wisdom and the meaning of the Kirab Ngabumi Traditional Ceremony. The research method used in this study is a qualitative method. Data collection was carried out by means of observation, interviews, documentation studies and literature studies. This research instrument uses interview guidelines and observation guidelines. The results of the study show that there are several processions, such as the seba procession, the nyangkreb procession, the mipit procession, the carnival procession, and the ngalarung procession. Apart from that, there are also values contained in the Kirab Ngabumi Traditional Ceremony, namely Social Values, and Religious Values, and there are meanings contained in the implementation of the Ngabumi Kirab Traditional Ceremony, namely Social Meanings, Cultural Meanings, and Religious Meanings.*
