

PREFACE

This thesis entitled, “Exploring the Challenges and Solutions in Conference Interpreting: An Evidence of English Interpreters” has been completed. It is submitted as a partial fulfillment of the requirements for attaining the *Sarjana Pendidikan* degree at the Department of English Education, Faculty of Educational Sciences and Teachers’ Training, University of Siliwangi, Tasikmalaya.

This thesis contains five chapters; (1) Background; (2) Literature Review; (3) Research Procedures; (4) Research Findings and Discussion (5) Conclusion and Suggestions. In the background, the researcher highlighted why this research is important to complete, the gap, problem formulation, operational definition, research aim, and research significance. In the literature review part, the researcher established several theories from expertise and previous studies to offer the reader an overview of the research. The final chapter highlights the findings and gives recommendations for future researchers or parties interested in the subject.

The researcher recognizes that there are still many weaknesses in the thesis. Therefore, the researcher welcomes all suggestions and criticisms from readers to improve this thesis. The researcher believes this study will be valuable to writers and readers.
