

## **PREFACE**

This thesis entitled “Exploring the Benefits of Whiteboard.fi in EFL Classrooms: Teacher Perceptions” is submitted to fulfill the requirements for attaining Sarjana Pendidikan Degree at English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.

This research is aimed to explore the benefits of using the website whiteboard.fi in EFL classrooms. The researcher gives the introduction of the research in Chapter 1, the theoretical points of the Learning Management System (LMS), Whiteboard.fi, teacher perception, and the research proposal in chapter 2. At chapter 3, the research gives the research methodology to explain how this thesis would be carried out. In chapter 4, the researcher explains the research findings; in chapter 5, the researcher makes a conclusion and suggestion.

In connection with the completion of this thesis, the researcher would like to thank all the individuals who provided individual support and helped in the process of writing this thesis. The author realizes that this present research is still far from perfection. Hence, the reader’s positive feedback, criticism, and suggestions are appreciated to help this research proposal improve.
