

PREFACE

Alhamdulillah, praise to Allah the Almighty and the Most Merciful that I could finally finish my thesis because of His blessings. This thesis entitled " The Implementation of Mobile Assisted Language Learning (Mall) in English Language Teaching: A Case Study In Junior High School Context" Is submitted to fulfill the requirements for the Sarjana Pendidikan Degree at the English Education Department of Faculty Educational Sciences and Teachers' Training Siliwangi University.

This thesis comprises background information, a literature review, a methodology, and the result of the research. The background information provides a context for the research, which arose with a gap in formulating the problems, significance, and research goals. The literature review briefly describes mobile-assisted language learning and English language teaching. The research design dealing with this research is a descriptive case study with a semi-structured interview as a data collection, and the data will be analyzed using thematic analysis.

The researcher also realized that this research proposal is still far from perfect. Therefore, the researcher hopes for suggestions and constructive feedback from the reader. Hopefully, this paper can be helpful and provide guidance to the reader who will carry out the research and the various parties that need it.
