

## **PREFACE**

This research entitled, “The EFL Students’ Perception toward the Use of Wattpad to Help in Reading Comprehension.” The background of the research explained the reading ability of students and trends of Wattpad, the operational definition of Wattpad and reading comprehension, the aim of the research, and the significance of the research.

In the literature review provides brief explanations about Wattpad and the theory about levels of reading comprehension, in which students can categorize good in levels of reading comprehension

This research has chosen a semi-structured interview for leading the use of Wattpad for help in reading comprehension to the students as the instrument to get the data and use the thematic analysis by Braun and Clarke (2006) to analyze the data. The participant is one of the college students in Tasikmalaya.

The findings and discussion provided the results of interviews, namely the advantages of Wattpad application and achievement of reading comprehension level. This research is far from perfection. Therefore, feedback such as suggestions and constructive criticism from the reader is needed for its perfection.
