

PREFACE

First of all, thanks to Allah SWT. for help. The researcher has finished writing this paper titled "Teachers' Corrective Feedback in Speaking Class: Accentuating Students' Perceptions". The purpose of writing this paper is to complete the research proposal as a part of the thesis writing.

In compiling this paper, the researcher has dealt with many challenges. However, these challenges can be overcome with the help of many individuals. The researcher recognizes that this paper still has several limitations in the process of writing this paper.

Therefore, the researcher thanks everyone who contributed to this paper. May Allah SWT. repay in every way, and bless you all. Besides that, the author also realizes that this paper is still not fine regarding its settings and content. Thus, the researcher hopes that reader advice will help develop this paper. Finally, hopefully, this paper can be helpful for readers to gain more knowledge in the subject matter.

Tasikmalaya, October 2023

The Researcher
