

ACKNOWLEDGEMENTS

Finishing this thesis costs much effort. It was a long journey, and it was not easy anyway. It was a worthwhile process that shaped who I am today. Being a degree student got me to deal with sleepless nights, overthinking, pressure, endless tasks, and mental breakdowns for three years and more. Yes, it was hard. However, being surrounded by these good people made me face all the degree barriers. As a result of this, I would like to express my best gratitude to the following people:
