

ABSTRACT

The modernization of Cianjur district has an impact on the progress of Islamic boarding school institutions which must innovate according to the times. Al-Madinah Islamic boarding school is one of the Islamic boarding schools that has innovated to change its management from Salafi to Khalafi. The lodge was started in 1999 by Farid Madani and Nunung Nurhikmah. Since its founding until 2020, there have been developments in the education system. This thesis aims to 1) find out the beginning of the establishment of the Salafi type Al-Madinah Islamic boarding school in Cianjur Regency in 2001-2010; 2) to determine the development of the Khalafi type Al-Madinah Islamic boarding school education system in Cianjur Regency in 2011-2020; 3) to determine the contribution of the Salafi and Khalafi type Al-Madinah Islamic boarding schools in education and social affairs in Cianjur Regency. The method used is the historical research method consisting of heuristics, verification, interpretation, historiography. Data collection in this thesis was by observation, interviews and literature study. The results of the research revealed that 1) the beginning of the establishment of the Al-Madinah Islamic boarding school, namely the Nurul Hidayah Ta'lim Council which was founded by Sanusi, then managed by Farid Madani as an Islamic boarding school, at the beginning of its establishment in 2001-2010 it had a Salafi type, but experienced development in 2001-2010. 2011-2020 became a khalafi by changing all management of his Islamic boarding school; 2) the development of Islamic boarding schools occurs in the areas of infrastructure and curriculum. Every year the facilities and infrastructure increase and there are two curricula, namely the Islamic boarding school curriculum and the national curriculum. Al-Madinah Islamic boarding school integrates the Islamic boarding school curriculum into the national curriculum. The learning method used is sorogan, bandongan/wetonan and halaqoh which are used in both types of Islamic boarding schools; 4) the activities carried out by the Al-Madinah Islamic boarding school contribute to society in the educational and social fields.
