*This study aims to determine: (1) the effect of economic growth, poverty and investment partially on income inequality in Java. (2) the effect of economic growth, poverty and investment simultaneously on income inequality in Java Island. The research method used is a quantitative method in the form of secondary data which is annual data starting from 2018-2022. This study uses Panel Data Regression analysis with the Fixed Effect model with Eviews 2010 software. The results showed that: (1) partially there is a significant positive effect between economic growth and poverty on income inequality, while investment has a significant negative effect on income inequality in Java. (2) simultaneously there is a significant influence of economic growth, poverty and investment variables on income inequality in Java Island in 2018-2022.*

***Keywords:*** *Income Inequality, Economic Growth, Poverty and Investment*

## ABSTRAK

### **DINAMIKA *INCOME INEQUALITY* (STUDI KASUS DI PULAU JAWA TAHUN 2018-2022)**

Penelitian ini bertujuan untuk mengetahui: (1) pengaruh pertumbuhan ekonomi, kemiskinan dan investasi secara parsial terhadap *income inequality* di Pulau Jawa. (2) pengaruh pertumbuhan ekonomi, kemiskinan dan investasi secara simultan terhadap *income inequality* di Pulau Jawa. Metode penelitian yang digunakan adalah metode kuantitatif berupa data sekunder yang merupakan data tahunan mulai dari Tahun 2018-2022. Penelitian ini menggunakan analisis Regresi Data Panel dengan model *Fixed Effect* dengan software Eviews 2010. Hasil Penelitian menunjukkan bahwa: (1) secara parsial terdapat pengaruh positif signifikan antara pertumbuhan ekonomi dan kemiskinan terhadap *income inequality*, sedangkan investasi memiliki pengaruh negatif signifikan terhadap *income inequality* di Pulau Jawa. (2) secara simultan terdapat pengaruh signifikan variabel pertumbuhan ekonomi, kemiskinan dan investasi terhadap *income inequality* di Pulau Jawa Tahun 2018-2022.

**Kata Kunci:** *Income Inequality*, Pertumbuhan Ekonomi, Kemsikinan dan Investasi
