

PREFACE

First of all, thanks to Allah SWT because of the help of Allah, the author could finish writing the thesis entitled "Undergraduate Students' Perceptions on the Use of Instagram Account @aarons.english in Learning Vocabulary: A Case Study". It is submitted to fulfill the requirement for the thesis writing at the English Education Department of the Faculty of Educational Sciences and Teachers' Training, Siliwangi University.

This thesis aims to find out the perceptions of undergraduate students of using Instagram as a media for learning English vocabulary. Further, the author also provides the background of the study, the theoretical foundation of learning vocabulary, learning English vocabulary, Instagram as in learning, and content creator @aarons.english. In the last section, the author provides the research methodology to explain how the author would conduct the study.

In arranging this paper, the author truly gets lots of challenges and obstructions but with the help of many individuals, those obstructions could be passed. The author also realizes that there are still many mistakes in writing this paper. This paper is still imperfect in arrangement and content. Therefore, the author hopes the criticism from the readers can help the author in perfecting the next paper. Last but not least, hopefully, this paper can help the readers to gain more knowledge.
