

## ACKNOWLEDGMENTS

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

**In the name of Allah, the Beneficent, the Merciful**

All great thanks for blessing and mercy of Allah SWT that the researcher finally finished this research thesis entitled "Boosting Students' Motivation Through Charade Game in Vocabulary Learning". This thesis has been crafted to meet the prerequisites for the undergraduate examination in the English Education department at the Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya. In completing this thesis, the author has tried her best. The author realizes that in arranging this thesis there are many difficulties and obstacles. However, thanks to the grace of the Almighty Allah SWT, prayer support and the help of various parties, these difficulties can be overcome.

The author recognizes that this thesis will not be realized without guidance, encouragement and support from various parties. Thus, on this occasion the researcher would like to express my sincere gratitude to all individuals who have supported me throughout the development of this thesis.

1. Head of the English Education Department, for his invaluable assistance both in academic and administrative matters,
2. *Dr. Yusup Supriyono* as the first supervisor who has given advice, guidance, and support in finishing this research thesis;
3. *Metty Agustine Primary, S.Pd., M.Pd.* as the second supervisor who has given advice, guidance, and support in finishing this research thesis;
4. *Dr. Agis Andriani S.Pd., M.Hum.* as my guardian lecturer who always support and encourage me,
5. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya,
6. *Yayan Saofyan Saury, S.Pd., M.Pd.* as the English teacher of IX SMPN Tasikmalaya who has given his ideas and time also has guided, advised, and support in the process of doing the research.

7. My beloved parents, Ade Sarif Hidayat and Lia Dahlia, my lovely sister, Tripani Putriani and my dear twin, Salwa Alya Gina for their prayers and supports. Thank you for always being there as important figures who always listen and understand in every condition,
8. My beloved friends of Start Up who have always accompanied me since the beginning of my studies at Siliwangi University. Thank you so much for all the moments, collaborations, and support in the process of academic achievement. You guys are like my family. May success be with us in the future. Aamiin,
9. All of my dear groups, 4 Sehat 5 Sahabat, Mozaik TSM, and Ale-Ale. Thank you for all the kindness and meaningful memories was shared.
10. My academic Group MBKM Research, thanks for all your support, trust, and every precious little attention,
11. My Amajing Class - A 2020. Thank you for the moment in our three years and for your support,
12. My academic partners from EED 2015 and 2019. Thank you for always helping and supporting me.
13. Last but not least, I want to thank myself for deciding to keep fighting and never give up until I reach this point. There were so many miserable moments that I went through. Gratefully, it made me strong woman so I could do my best and make myself proud.

In short, thank you to all those who have directly or indirectly helped in completing this thesis. Hopefully, this research will be useful not only for the writer, but also for anyone who reads this thesis.

Tasikmalaya, May 2024

The Writer
