

## PREFACE

Thanks to Allah SWT for His blessing and mercy, the author finished writing this thesis entitled “Students’ Perceptions of The Use of Fable in Learning Narrative Text.” It is submitted to the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, as partial fulfillment of the thesis writing.

This thesis will reveal students’ perceptions of using English fables to learn narrative text. The author also provides the theoretical foundation of fables and learning narrative text. In the last part, the author also provides the research methodology to explain how the author would conduct the study.

When completing this paper, the author faced many problems, but with the help of many people, all of the issues could be solved. This model is imperfect, so the author expects criticism and suggestions to improve it. Hopefully, this paper can help readers gain more knowledge on the subject matter.
