6. My eternal love, *Ibu Setiawati*. The great *Mama*, who wiped away my tears and held me close when I nearly fell, never gave up on supporting her little girl's goal until I eventually reached this point. Not because I’m a fantastic person, but rather because of my mother’s strong prayers, I have accomplished everything in my life. *Mama*, thank you and I love you very much.
7. The fabulous *Bapak Endang Hamid*. Thank you for your constant efforts to ensure that I have the greatest possible life and your constant efforts to ensure that I can pursue my goals without concern and in comfort.

8. An unpredictable person, I call him 'Rain', who always motivates me and he is always ready to be a loyal listener (especially listening to my twists and turns stories while completing this thesis).
9. *My best mates, 'Manusia yang kadang ingin menjadi kodok': Dewi Indriyani, Elsa Mayora, Sri Wahyuni, and Zakiyaturrahmah.* Who have struggled together through every semester until now and always remind and support each other until this thesis can be completed. Thank you for bringing colour to my college degree years; knowing and having you is truly a blessing for which I am extremely grateful.
10. All *my classmates, 'Bonavent'* for their support during the college degree years.
11. Myself. I'd like to thank myself for persevering and getting this far; you did a great job. I appreciate you not going too far and returning up stronger than before. I appreciate your strong belief that you will be successful. I appreciate and truly love you.
