

ACKNOWLEDGEMENT

All praises and gratitude to Allah SWT. Who has given the researcher mercies and prosperity to finally complete this thesis titled “Indonesian Student’s Academic Behaviour During the Transition of The Learning Environment From Online To A Blended Learning Post COVID-19 Pandemic”. This thesis is submitted to fulfil the requirements for the *Sarjana Pendidikan* degree at the English Education Department of the Faculty of Educational Sciences and Teachers’ Training, Siliwangi University. The accomplishment of this thesis involves various parties. Hence, the researcher would like to convey sincere gratitude to:

1. The Honourable Head of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
2. The Honourable Melisa Sri, *S.Pd., M.Pd.*, as the first supervisor who has provided guidance, assistance, and correction in completing this thesis.
3. The honourable Neni Marlina, *S.Pd., M.Pd.*, as the second supervisor has provided guidance, assistance, and correction in writing this thesis.
4. All the lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
5. The researcher’s beloved parents, Encep Lukman, and Euis Setiawati and, then the researcher’s aunt, Iis Aisyah, and the whole family who have given love, facilities, guidance, facility support and financial support to the researcher.
6. The participant of this research is also a researcher’s friend who was willing to participate and helped the researcher obtain the data in this research.
7. Bestmates and The Bois, the researcher’s classmates in college who always gave support and were always available when the researcher needed a companion for discussing, sharing, refreshing, and other kinds of stuff.

8. People who cannot be mentioned one by one have helped the researcher to complete this thesis.

In conclusion, the researcher would like to thank all who have contributed, helped, and supported the researcher in accomplishing this thesis. The researcher realises that this research is still far from perfect. Therefore, the researcher is welcome to receive suggestions and criticism from the readers for improving this research. Hopefully, this research will benefit and be helpful for the readers.

Tasikmalaya, May, 2024
