

## ACKNOWLEDGMENT

The researcher says thank you to all individuals who help in the process of writing this research proposal. Hopefully, Allah replies to all help and blesses you all. The researcher realizes that this thesis is still imperfect in the arrangement and content. Then the researcher hopes the criticism from the readers can help the researcher in perfecting the next research. Finally, the researcher would like to express her sincere gratitude to:

1. Yusup Supriyono, M. Pd. As a Head of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.
2. Santiana, S.S., M.Pd. as my supervisor 1 who has guided her in writing this research proposal.
3. Metty Agustine Primary, M.Pd. as my supervisor 2 who has supported her in accomplishing this research proposal.
4. The researcher parents, Uyu Mulyawati, who have provided invaluable guidance, financial, physical, and mental support for the researcher. Thank you for the unceasing prayers offered to Allah SWT, which ensured that every process the researcher went through proceeded smoothly.
5. Isogloss group, Eki Rizkia Maulida, Sri Wahyuni, Zakiyaturrahmah, and Elsa Mayora who always supported, helped, and encouraged her while studying at Siliwangi University.
6. Gina Lutfia Azzahra, who always provided motivation when the researcher's enthusiasm started to decline, listened to complaints, and always accompanied the researcher when she felt sad while working on her thesis.
7. Someone the researcher loved, who always supported every process undertaken, who was willing to listen to every grievance the researcher felt, and

who always kept the researcher's mood up, enabling her to complete the thesis on time.
