

ACKNOWLEDGEMENT

The author realizes that during the writing process of this thesis, there are numbers of support and motivation from various sides. For that matter, the author would like to say gratitude to:

1. Dr. Yusup Supriyono, S.Pd., M.Pd. and Asri Siti Fatimah, S.Pd., M.Pd., as the supervisors for giving guidance and feedback during the writing process from the beginning until the end.
2. Noer Fitriani, S.Pd., as the research participant who is my English teacher in SMAN 1 Banjarsari, for the willingness to share the story needed for the data.
3. Siliwangi University and SMAN 1 Banjarsari, the place I am currently studying at and the place I was studying at, for allowing this research to be done and giving all the needed resources.
4. My family, especially mom and dad who always support and pray for me as I am able to step into success. Also all of my dear friends who would be there by my side, giving all supports I needed.
5. Fellow English Education Department students for all the insights and encouragement that we always give to each other.
6. ATEEZ and SEVENTEEN, the idols that I cherish most. Thank you for being my undirectly support system and motivation, for the encouragement and being the source of happiness during my study, specifically in the thesis writing process, and for all those musics that I listen a lot to get a huge energy.

This thesis, however is still far from perfect. Further suggestions are always needed and will be accepted sincerely for better result in the future.
