

PREFACE

This research explored the teacher's teaching strategies of pronunciation in one of the vocational high schools at Tasikmalaya district. *Alhamdulillah rabbil alamin*, all praise be to Allah *SWT.* the lord of hosts, who at the top of His will, the researcher could accomplish a thesis.

This study entitled "Exploring English Teacher's Pronunciation Teaching Strategies in One of the Vocational High Schools at Tasikmalaya District" was submitted to the Department of English Education of Siliwangi University as a partial fulfillment of bachelor's degree requirements. It was under the guidance and supervision of Dra. Dede Pertamina, M.Pd. and Dr. Soni Tantan Tandiana, S.Pd.

The researcher hopes this study will contribute more to all the readers. The researcher realized that this study is probably far from perfect. Hence the researcher expects the criticism and suggestions to be valuable on this study to get a lot better.
