

ACKNOWLEDGEMENTS

In the name of Allah SWT, the beneficent and merciful. All praises and thanks are due to *Allah swt.* for the gracious mercy and tremendous blessing that enabled me to accomplish my thesis entitled “Learning English through WhatsApp in an Indonesian Senior High School: Understanding Students' Perceptions”. It was submitted to fulfill the requirements for Sarjana Pendidikan Degree at the English Education Department of Faculty of Educational Sciences and Teachers’ Training Siliwangi University.

On this occasion, I would like to express my sincere gratitude to:

1. Head of English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya,
2. Nita Sari Narulita Dewi, M.Pd., as the first supervisor who has given corrections and guidance in finishing this thesis,
3. Sitti Syakira, M.Pd., as the second supervisor who has given suggestion and guidance in finishing this thesis,
4. Fuad Abdullah, M.Pd., as the previous second supervisor who has given me suggestion and guidance in finishing this thesis,
5. All lecturers of English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
6. My beloved parents, Rakim and Maesaroh, and also my big family who always pray, support, motivate, advice, and love me.
7. My discussion and healing friends, Susi and Fajrina. Thank you for always being my support system, being there when I got the difficulties, bad mood, and needing for help.
8. My idols, Super Junior, NCT, and RIIZE. Thank you for creating great music and being my entertainer when I was feeling down and bad mood.
9. Lastly, for myself. Thank you for surviving this whole heavy time in several years, for caring for yourself, and for being aware of your limit.

I realize that this thesis is still far from being perfect. I will greatly receive any suggestions and criticism from the readers. Finally, I hope this thesis will be useful for the readers and myself.
