PREFACE

This thesis entitled "The Contributions of Digital *Manga* in the Extensive Reading Context to EFL Students' Vocabulary Mastery" is submitted for getting *Sarjana Pendidikan* degree at English Education Department of Faculty of Educational Sciences and Teachers' Training, Siliwangi University. This thesis consists of: (1) Background; (2) Literature Review; (3) Research Method; (4) Findings and Discussions; (5) Conclusion and Suggestion. The background provides a context of the research, which is ascended with a gap, formulation of the problem, significance of the research, and aim of the research. The literature review provides brief enlightenment about vocabulary mastery, the principles of extensive reading, types of extensive reading from vocabulary perspective, and the use of digital *manga* for vocabulary mastery. The research design used in this study is a descriptive case study. Therefore, the data is collected through a semi-structured interview. Henceforth, the qualitative data is analyzed utilizing thematic analysis.

This research cannot be accomplished without plenty of support from many people. Therefore, the researcher conveys sincere gratitude to them in the acknowledgment section. The researcher realizes that this research is still far from perfection. Subsequently, the researcher expects suggestions and constructive feedback from the readers. Conclusively, the researcher expects this research to give affirmative insight to the readers.
