

## **PREFACE**

The thesis is entitled — Revealing illocutionary Act contained in The Song “WE WILL NOT GO DOWN”.

It was submitted to fulfill the requirements for writing a thesis at the English Education Department, Faculty Of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.

This thesis includes background information, a literature review, and a methodology. The background information provides the research context, which is enhanced by gaps, problem formulation, research significance, and research objectives. The literature review offers brief material on speech acts. The research design used in this study is Qualitative Descriptive Furthermore, Data collection has been carried out using the documentation method.

Finally, the writer expects suggestions and constructive criticism from the readers to improve this paper. Hopefully, this research proposal can be useful and benefit both writers and readers.
