

ACKNOWLEDGEMENTS

The researcher would like to express her gratitude and thank Allah swt., the all-powerful who provides protection, guidance, love, and mercy. Through His blessings, she has completed a final thesis titled “INVESTIGATING WRITING PROBLEMS EXPERIENCED BY EFL STUDENTS DURING COLLABORATIVE WRITING.” Many individuals have played a significant role in supporting her throughout this thesis. Therefore, she would like to take this moment to thank:

1. The honorable Dr. Agis Andriani, S.Pd., M.Hum, was the first supervisor to guide and advise on this thesis's concept details.
2. The honorable Fera Sulastri, M.Pd., is the second supervisor who has given guidance and advice on the details of this thesis.
3. The research participants gave their time, energy, and experience to participate in this research.
4. The researcher's parents, her mother, Titin Rohmatin, S.Ag, and her father, Dr. Achmad Nasih MT, have given prayers, effort, motivation, and financial and facility support.
5. The researcher's sister and brothers. Hania, Haifan, and Ghazi are supported siblings.
6. The researcher's closest friends in Tasikmalaya. Nadya Jasmine, Salsa Diana, Pricillia Febrianty, and Silvadia Maharani have been good friends and helped her during her college time in *Unsil*.
7. The researcher's childhood friends, Nabilla, Prameta, and Vina, are emotional supporters and are safe places.
8. The researcher herself for her hard work and commitment.
