

## **PREFACE**

First of all, thanks to Allah SWT for God's help, the author has finished writing this paper with the title "Building EFL Students' Oral Communication Skill Through VRChat" The purpose of writing this thesis is to fulfill the requirement for thesis writing at English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.

The writer experienced several obstacles when producing this paper, however, these obstacles may be overcome with the support of many people. The author also recognizes that I made several errors while writing this work.

As a result, the author gives gratitude to everyone who assisted me in the composition of this study. May Allah reward you for your assistance and bless everyone. The author recognizes that the paper's settings and content are not flawless, therefore hopefully that reader's feedback will aid in the writer's improvement. Finally, I think that this work can help readers gain more positive knowledge.

Tasikmalaya, July 2024
