

PREFACE

This thesis entitled “The Use of Quizlet as Digital Flashcards to Motivate Students in Vocabulary Learning” is submitted for getting *Sarjana Pendidikan* degree at the English Education Department of the Faculty of Educational Sciences and Teachers’ Training, Siliwangi University.

This study consists of (1) Background, (2) Literature Review, (3) Research Method, (4) Findings and Discussion, (5) Conclusion and Suggestion. The background provides a context related to students’ motivation in English vocabulary learning through the Quizlet application based as a digital flashcard in the English course in eighth junior high school, a gap, formulation of the problems, significance of the research, and the research aims. The literature review briefly discusses students’ motivation in learning English vocabulary through the Quizlet application based on a digital flashcard in the eighth-grade junior high school English course. The research design used in this study is a descriptive case study, and the data will be collected through semi-structured interviews, which are analyzed by Braun and Clarke's thematic analysis.

Therefore, any suggestions and criticism from the readers will be greatly received. Hopefully, this thesis will be useful for myself and the readers.
