

HALAMAN PERSEMBAHAN

This thesis is dedicated to my beloved mother and father.

And as a reminder for Mubayinah Afiya in the future that you have accomplished something you thought impossible.

Remember the quote from the figure you most admire:

“Apa yang kamu hadapi saat ini, sudah pernah dilewati oleh orang lain. Jika mereka bisa, insyaa Allah kamu juga bisa melewatinya.”

(H. Anies Rasyid Baswedan, S.E., M.PP., Ph.D.)

And believe in Allah's promises:

لا يكلف الله نفسا إلا وسعها

“Allah tidak membebani seseorang melainkan sesuai kesanggupannya.”

(Qs. Al Baqarah: 286)
