

PREFACE

The research proposal entitled "Investigating How Child Acquires English Vocabulary on The Use of Cocomelon Youtube Videos" is submitted as partial fulfilment of the requirements for writing a thesis at English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya. This research proposal is formed with background information, literature review, and methodology. The background information provides a context of the research which ascended with a gap, formulation of the problems, significance of the research, and aims of the research. The literature review provides brief enlightenment about Language learning, Vocabulary, Language Acquisition and Youtube. The research design used in this study is descriptive case study. For that reason, the data will be collected through observation and Video Recorded then will be analyzed using thematic analysis. However, this research can be accomplished with plenty of support from many people. Therefore, the researcher conveys sincere gratitude to them in the acknowledgement section.
