

## **PREFACE**

Praise and gratitude we send to Allah *SWT.*, who has poured His grace and gift and bestowed me guidance, health, and patience. So, the researcher can write research entitled "Exploring an EFL Learner's Experience of Listening Comprehension Through Movies." It is submitted to fulfill the requirements for obtaining a Bachelor's Degree at the English Education Department, Faculty of Educational Sciences and Teacher's Training, Siliwangi University. This research intended to share someone's experience related to enhancing her listening skills. The researcher hopes this study can motivate readers to try autonomous learning in everyday life.

The content of this research includes a background of the study, a literature review, and a research methodology. In the background, the researcher discusses the reason for conducting this study, formulation of the problem, operational definitions, aims, and significance of the study. The literature review contains brief explanations of expert theories and relevant studies. The research methodology describes the design, data collection, and data analysis.

The researcher welcomes suggestions and constructive criticism from the readers to improve this proposal. Hopefully, this research will be helpful and benefit both the researcher and readers.
