Dear NURUL,

2. The paper will be published in IJFCC, Please format the paper according to the template. plz notice that there's some information you should fill at the bottom of the first page(as footer) I color it with yellow. please pay attention to the reference part, especially the punctuations and the Italic style, and the abbreviation of the name in this part, should be A.Bxxxx (A means the Capital letter of the first name, and Bxxx means the full family name), this style

Please don't hesitate to contact with me.

Thanks a lot! Have a nice day!
