

## **PREFACE**

This thesis is filled with background information on why this research was conducted, literature review, methodology, findings and discussion, conclusions and suggestions. The first chapter contains background information that provides the context of the research, namely the writing, gaps, problem formulation, research objectives, and benefits of this research. Chapter 2nd literature review consists of parental involvement, teachers' perception and teaching english to young learners. Chapter 3rd presents the research design, setting and participants, data collection, and data analysis. The results of this study are contained in the fourth chapter which includes data on findings and discussion. The final chapter consists of conclusions based on the data findings and other ideas for future researchers related to parental involvement.
