

ACKNOWLEDGMENT

First and foremost, praises and thanks to Allah *swt.*, for His showers of blessings throughout my research work to complete the research successfully.

I am extremely grateful to my parents for their love, prayers, caring and sacrifices for educating and preparing me for my future. I am very much thankful to my mother, Iis Subariah for her love, understanding, prayers and continuing support to complete this research. Also, I express my thanks to my little brother, Hafidl Muhammad Yasin for his support and valuable prayers and to my father, Wahyudin who see me from heaven there.

I would like to express my deep and sincere gratitude to my research supervisor Yusup Supriyono, *S.Pd., M.Pd.* and Melisa Sri, *S.Pd., M.Pd.* for their guidance helped me in all the time of research and writing of this thesis. Also, to all the lecturers and staff of Siliwangi University who gave me a chance to study in here and also provided me with beneficial knowledge and experiences.

My Special thanks goes to my best friends, Asmirandai (Cintya, Vina, Dine, Gina, Tio, Iqbal, Arya) and Forum Discussion Gang (Tegar, Nanda, Rizki, Shulbita, Meidina, Hilmi, Komarudin, Faiz, Amar) who always give an entertainment to a condition where I need to be supported, and help me in every condition.

Finally, yet importantly, I extend my gratitude to every single person who has precious contribution to my thesis. I apologize because I cannot mention one by one, but I am very grateful for your help, support, and pray. May Allah *swt.*, bless you for your kindness.
