**ABSTRACT**

*This research aims to determine: (1) Implementation of Good Government Governance, The Competence of Accounting Staff and The Quality of Accounting Information at Regional Apparatus Organizations in Tasikmalaya City. (2) The Relation of Good Government Governance Implementation with Accounting Staff Competence. (3) Partial Influence of Good Government Governance Implementation and Accounting Staff Competence on the Quality of Accounting Information in Regional Apparatus Organizations in Tasikmalaya City. (4) Effect of Simultaneous Implementation of Good Government Governance and Competence of Accounting Staff on the Quality of Accounting Information in Regional Apparatus Organizations in Tasikmalaya City. The method used in this study is a quantitative research method and uses descriptive analysis with a census approach. The data analysis technique used is path analysis using the IBM SPSS Statistic 25 tool. The partial hypothesis testing uses the t test and simultaneously uses the F test with a significant level ( $\alpha = 0.05$ ).*
