**ICSECC 2020** <icsecc2020@president.ac.id> to aripin, me, bnuandang, firmansyah, lindafaridah, sabch Sat, Nov 21, 2020, 4:38 PM

Dear Prof./Dr./Mr./Ms./Mrs H Aripin, Nurul Hiron, Nundang Busaeri, Firmansyah M S Nursuwars, Linda Faridah and Svilen Sabchevski

We are pleased to inform you that your paper:

PaperID : 52  
 Title : Performance of Graphite/SiO2 Composites as Cathode Electronic Active Layer in Al-Air Batteries

has passed the review process and is **CONDITIONALLY ACCEPTED** for presentation at the **2020** International Conference on Sustainable Engineering and Creative Computing (**ICSECC**). Kindly be advised that your manuscript similarity index in plagiarism checker (Turnitin) is currently above our acceptance level. Your paper can be published if it is below 20%.

It is mandatory to prepare the camera ready paper as per the instructions listed on <https://icsecc.president.ac.id/> and your paper will not be published unless the following are done:

1. Revise your paper(s) according to the reviewers' comments. The detailed reviews are at the bottom of this email.
2. The accepted similarity level is a maximum of 20% which you may check using Turnitin or other similar plagiarism checks.
3. Upload your camera-ready paper according to EasyChair by 05 December 2020 (hard deadline)
4. Fill the registration form and upload your payment proof at <https://bit.ly/ICSECC2020>
5. Fully-completed signed IEEE copyright form and send it to [icsecc2020@president.ac.id](mailto:icsecc2020@president.ac.id) with subject: Copyright 2020-your paperID. Later, an IEEE Electronic Copyright will be sent to your email after successful registration.
6. Accepted paper must be presented live by the author at the virtual conference event. Additionally, the author is required to Submit the recorded video of your presentation using Zoom to [icsecc2020@president.ac.id](mailto:icsecc2020@president.ac.id), video duration max 10 minutes, before 10 December 2020 with the subject: RecordedPresentation-your paperID

Please be reminded that the due date for **early bird registration** is **30 November 2020**. At least one author has to register for the conference.

Please let us know if you have any questions regarding registration.

20 November 2020  
 With a warmest regards,

Ir. Rila Mandala M.Eng., Ph.D  
 General Chair of **ICSECC2020**

SUBMISSION: 52

TITLE: Performance of Graphite/SiO2 Composites as Cathode Electronic Active Layer in Al-Air Batteries

----- REVIEW 1 -----

SUBMISSION: 52  
 TITLE: Performance of Graphite/SiO2 Composites as Cathode Electronic Active Layer in Al-Air Batteries  
 AUTHORS: H Aripin, Nurul Hiron, Nundang Busaeri, Firmansyah M S Nursuwars, Linda Faridah and Svilen Sabchevski

----- Summary -----

The paper aims to propose a solution so that renewable energy source can deliver a continuous electric current by the support of battery with improved features.

----- Reviewer general recommendation -----

Minor Revision.

----- Detailed Comments -----

The paper is written in good English, can be understood clearly.

----- Organization -----

The paper is well organized. The chapters cover the important points to be delivered.

----- Relevance -----

The paper suits the conference.

----- Presentation clarity -----

\* Sun, although in middle of sentence should be lowercase sun, not uppercase Sun. Avoid using "don't", "doesn't", "can't" in a scientific paper. Use formal un-abbreviated format.

\* (a) and (b) for the figure should be under the figure, not inside the figure, such as for figure 2(a) and 2(b), figure 4(a) and 4(b)

\* The writing (a) inside figure 3 should be deleted, because there is no figure 3(b).

----- Novelty -----

The paper shows originality in effort to create an experiment set up and to conduct the experiment.

----- Method -----

The method is experimental-based.

----- Impact and Contribution -----

The result presented by the paper can be further used to developed the future battery.

----- References -----

\* The reference 11, 12, 13, 15, missing the word "and" to connect the last writer. For example it should be A, B, and C. Not A, B, C.

\* The fonts for reference section should be smaller than the other sections of the paper. See again the conference template. Other section Times New Roman 10, reference section Times New Roman 8.
