Penelitian ini bertujuan untuk 1) mengetahui peran pengurus pesantren dalam program pemberdayaan santri yang dikembangkan oleh Pondok Pesantren Raudhotul Irfan Ciamis. 2) mengetahui efektivitas pelaksanaan program pemberdayaan santri yang dikembangkan oleh Pondok Pesantren Raudhotul Irfan Ciamis. Penelitian ini dilaksanakan di Pondok Pesantren Raudhotul Irfan yang berada di Desa Kertasari, Kecamatan Ciamis Kabupaten Ciamis pada bulan Mei sampai Desember 2021. Pengambilan lokasi dilakukan dengan cara sengaja (purposive) karena pondok pesantren tersebut merupakan pondok pesantren yang melaksanakan program pemberdayaan dalam bidang agribisnis kepada para santrinya. Metode pengambilan sampel menggunakan metode sensus. Skala *guttman* digunakan untuk menganalisis peran pengurus pondok pesantren dan skala *likert* digunakan untuk menganalisis efektivitas program pemberdayaan santri di Pondok Pesantren Raudhotul Irfan. Hasil penelitian diperoleh yaitu 1) Peran pengurus pondok pesantren berada pada kategori berperan. 2) Efektivitas program pemberdayaan santri di Pondok Pesantren Raudhotul Irfan Ciamis berada pada kategori efektif.

Kata Kunci : Peran, Efektivitas, Pemberdayaan Santri.

ABSTRACT

THE ROLE OF BOARDING MANAGEMENT BOARDS AND EFFECTIVENESS SANTRI EMPOWERMENT IN THE MUSHROOM AGRIBUSINESS PROGRAM

This study aims to 1) determine the role of pesantren administrators in the santri empowerment program developed by the Raudhotul Irfan Ciamis Islamic Boarding School. 2) determine the effectiveness of the implementation of the santri empowerment program developed by the Raudhotul Irfan Ciamis Islamic Boarding School. This research was carried out at the Raudhotul Irfan Islamic Boarding School located in Kertasari Village, Ciamis District, Ciamis Regency from May to December 2021. The location was chosen purposively because the Islamic boarding school is a boarding school that implements empowerment programs in the field of agribusiness to students. his students. The sampling method used the census method. The Guttman scale was used to analyze the role of boarding school administrators and the Likert scale was used to analyze the effectiveness of the santri empowerment program at the Raudhotul Irfan Islamic Boarding School. The results obtained are 1) The role of boarding school administrators is in the role category. 2) The effectiveness of the santri empowerment program at the Raudhotul Irfan Ciamis Islamic Boarding School is in the effective category.

Keywords: Role, Effectiveness, Santri, Empowerment.
