

## ACKNOWLEDGMENTS

All praises due to Allah *SWT.*, the most gracious, the most merciful for this blessing and mercy that I can finally accomplish my thesis entitled “**Students’ Disengagement in an Blended English Classroom: Factors and Solutions**”. This thesis is submitted to fulfill the requirements for *Sarjana Pendidikan* degree at English Education Department of Faculty of Educational Science and Teachers’ Training of Siliwangi University, Tasikmalaya.

This thesis cannot be accomplished without support from several people around the researcher. On this occasion, the writer would like to express gratitude to them. May Allah *SWT.*, reply to their kindness in better ways, especially to the honorable:

1. Head of English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya,
2. Fuad Abdullah, *M.Pd.* as the first supervisor who has given corrections and guidance in finishing this research proposal,
3. Drs. Ruslan, *M.Pd.* as the second supervisor who has given suggestions and guidance in writing this research proposal,
4. All of the lecturers of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.
5. My mom and dad, are my worthy persons who will not stop motivating, helping, and supporting me whenever it takes. Thank you very much.
6. My brother and sister, Komara and Rina Gartasari. Thank you for always supporting me.
7. My boyfriend, Muhammad Teguh Fakhrizal. Thank you for always for always supporting and helping me.

8. Every single person who has helped and supported me to finish my thesis that could not be mentioned one by one who has been caring, loving, and supportive person who always there when the times got tough.

9. Last, but not least, I want to thank myself, for believing me, for doing all this hard work, for having no days off, for never quitting, and for just being me at all times.

Finally, after doing the best effort for this thesis, I am aware that there will be many weaknesses. As a result, I enthusiastically welcome objective criticisms and constructive suggestions to improve this thesis. Eventually, I expect that it will be beneficial not only for me but also for the readers.
