

PREFACE

All praises are to Allah SWT, the creator of the universe. Due to His grace, mercy and blessing, the writer is able to finish writing this research proposal entitled “Students’ Perception of Using Vlog on YouTube in EFL Speaking Classroom”.

This study is to investigate the students’ perception of using vlog on YouTube in the EFL speaking classroom in one of Indonesian universities. This study is divided into five chapters. First chapter contains background information and introduction toward the context of the study. In chapter two, the literature review. Chapter three covers the methodology in the study such as research design, research setting and participants, technique of data collection, data analysis and research schedule. In the next chapter four, the findings of this study about students’ perception on vlog in EFL speaking classroom. Finally, chapter five presented the conclusion and suggestions of this study.

Lastly, I welcome suggestions and constructive criticism from the readers for improvement of this writing. Hopefully, this study can be useful and give advantages both for the writer and the readers.
