

PREFACE

All praises are due to Allah *SWT.*, the creator of the universe. Because of His blessing, the writer is able to finish writing this thesis entitled “Teachers’ Perception on the Use of Google Classroom during COVID-19 Pandemic in English Language Teaching”. This thesis is submitted to fulfill one of the requirements for writing a thesis at the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.

This thesis contained background information, a literature review, and a methodology. The background information provides a context of the research which is ascended with a gap, formulation of the problems, significance of the research, and aims of the research. The literature review provides brief enlightenment about Google Classroom, its features and advantages, and the terms of communication. The research design used in this study is a case study. Furthermore, the data will be collected through semi-structured interviews and analyzed by thematic analysis.

In addition, this research can be accomplished with support from many people. Therefore, the researcher conveys sincere gratitude to them in the acknowledgment section. The researcher realizes that this research thesis is still far from perfect. Then, the researcher expects suggestions and constructive feedback from the readers for field research in the forthcoming time.
