

## ACKNOWLEDGEMENTS

Thanks to Allah SWT for the permission and grace, the researcher was able to finish writing a thesis entitled "Students' Perceptions of BTS' English Songs as a Learning Medium for Learning English Vocabulary: A Descriptive Case Study". This thesis is submitted to the English Education Department, Faculty of Educational Sciences, and Teachers' Training as partial fulfilment to thesis writing for the Requirements for Sarjana Pendidikan Degree.

The researcher would like to express gratitude to everyone who has always supported her in finishing this thesis. Especially to the honourable:

1. Head of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.
2. Melisa Sri, S.Pd., M.Pd. as the first supervisor, thank you for the guidance in preparing this thesis.
3. Dewi Rosmala, S.Pd., M.A. as the second supervisor, thank you for the guidance while writing this thesis.
4. All the lecturers in English Education Department, especially Dea Silvani, S.Pd., M.Pd., thank you for the help you gave me.
5. My wonderful mother, the wound of losing you never heals, but your love and beautiful memories keep me alive. I present this thesis to make you and my father proud. Then, my father and my brother thank you for everything.
6. BTS inspired the researcher to do this research with their songs.
7. All of my friends and people that I cannot mention one by one, who always help in the process of writing my thesis either directly or indirectly, thank you for all the support.
8. The participants who became one of the people who played an important role in completing this thesis, thank you for taking the time, mind, and energy for being willing to be interviewed by the researcher.

Lastly, the researcher welcomes insightful ideas from the readers to improve this writing. Hopefully, this thesis can be valuable and benefit both the researcher and the readers.
