

ACKNOWLEDGEMENTS

All praises belong to God, the Most Merciful who always blesses and guides me so I can finish my thesis entitled “*Students’ Behavioral Engagement While Learning English Through Kahoot: A Case Study*”. This thesis is submitted to fulfill the requirement for *sarjana pendidikan* degree at the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.

On this occasion, I would like to express my special thanks to:

1. Head of Study Program of English Education, for his invaluable assistance both in academic and administrative matters,
2. Fera Sulastri, *M.Pd.* as the first supervisor who has given suggestion and guidance in finishing this thesis,
3. Dea Silvani, *M.Pd.* as the second supervisor who has given suggestion and guidance in writing this thesis,
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya.
5. My father, who has never pressured me to finish the thesis fast, silently giving support both mentally and financially,
6. My sister, Beatrice, who lent me her laptop for use to write the thesis,
7. My friend, Silvia, for her huge help to inspire me, correcting the mistakes in my thesis, brainstorming together, and always lending a hand when needed, no matter the time, day and night, silently guiding me in the dark, becoming the sole pillar for me to complete the thesis,
8. My comrade-in-arm, Mima Rifa and Jihan, who accompany me through the whole journey as fellow thesis fighters, help me to make appointments, give support, important information, and timely care,
9. My seniors whom I cannot mention one by one for giving references, guidance behind the scene and inspiration,
10. Ms. Puri, for giving permission and access to conduct an observation at the English course she managed,

11. Bobby and Derma Rahimanisa for their help completing the necessary certificates needed for the final thesis examination.

Finally, I realize that this thesis is far from perfect, so I am enthusiastic about receiving suggestions and criticism for its improvement. Hopefully, this thesis will be helpful for me and also the readers.
