

ACKNOWLEDGEMENT

The researcher would like to thank Allah SWT for the health, protection, guidance, patience, love, and compassion that He has given to complete the author's thesis entitled "Integrating Artificial Intelligence (AI) in English Language Teaching (ELT): A Technological Pedagogical and Content Knowledge (TPACK)-Based Survey Study." Therefore, the researcher would like to express gratitude to:

1. The Head of English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya;
2. Junjun Muhamad Ramdani, Ph.D. as the first supervisor who has given support and guidance in writing this thesis;
3. Ratu Sarah Pujasari, M.Pd. as the second supervisor who has provided support and advice in writing this thesis;
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya;
5. My beloved mother, Dra. Asnawati, and my dear father, Drs. Dadang Wahyudin, M.Si. for their unwavering support, unconditional love, constant prayers, and financial assistance throughout every step of my academic journey;
6. All friends who have contributed to providing advice and feedback for researchers who cannot be mentioned one by one.
7. To the one with student number 212191045, thank you for your endless support, prayers, patience, and precious time throughout the process of writing this thesis.
8. Thanks to myself for my perseverance, hard work, and patience in completing this thesis. This process is not an easy journey, but with all the challenges faced, the author has learned to survive, adapt, and grow. May this achievement be a reminder that dedicated effort will always pay off.

The author recognizes that there are several limitations to this thesis. Therefore, the author expects criticism and suggestions from readers as material for evaluating the author in the preparation of this thesis.

Tasikmalaya, June 2025
