

ACKNOWLEDGEMENTS

All praises are due to Almighty God, who gives protection, guidance, love, and mercy. Therefore, because of His blessings, the researcher can accomplish this thesis entitled: “The Influence of Using Duolingo on Junior High School Students’ Vocabulary Mastery: An Experimental Study”. A lot of people have contributed to the research that is being done to accomplish this thesis. Consequently, in this valuable opportunity, the researcher would like to convey sincere gratitude to:

1. Her beloved father and mother, Drs. Ardin Purba and Eva Nyepi Sianturi, A.Md. Adm., who have always been her greatest source of inspiration and motivation. Thank you for their unconditional love, prayers, sacrifices, and unwavering support. Every step of her journey would not have been possible without their guidance and affection;
2. Her dear brother, Androni Cristian Purba, thank you for being her strength during challenging times. His support, even in the simplest ways, has meant so much to her. Thank you for being an important part of this journey;
3. Head of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya;
4. Ratu Sarah Pujasari, S.Pd., M.Pd., as the first supervisor who has given guidance, pertains to the whole idea of this thesis;
5. Dea Silvani., S.Pd., M.Pd., as the second supervisor who has given guidance, pertains to the details of this thesis;
6. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers’ Training, Siliwangi University, Tasikmalaya;
7. Dr. Aa Suryana, S.Pd. M.M. as the headmaster of *SMP Negeri 9 Tasikmalaya* who has been given the chance and permission to conduct the research;
8. Dra. Neli Dasweli, M.Pd., as the English teacher of the ninth grade of *SMP Negeri 9 Tasikmalaya*, for their guidance and motivation during the research;
9. The students of IX-A for their contribution and participation in this research as a non-sample to be given a vocabulary test before validity and reliability;
10. The students of IX-D for their contribution and participation in this research as the experimental class;

11. The students of IX-F for their contribution and participation in this research as the control class;
12. Her beloved friends who cannot be mentioned one by one, thank you for their constant encouragement and shared laughter that have lightened her burdens and made this journey more enjoyable. Their companionship has been a reminder that even in the midst of stress, there is room for joy and connection;
13. Her favorite K-pop boy group, SEVENTEEN, especially Jeon Wonwoo, whose music and values have inspired her to stay motivated throughout this process. Their variety show, namely Going SEVENTEEN (GOSE), has been a comforting companion, bringing moments of laughter and helping her to recharge during the intense process of completing her thesis;
14. Her favorite K-pop girl group, GFRIEND, their heartfelt lyrics and uplifting melodies have been a comforting companion during long nights of writing and revising. The positivity and perseverance they reflect in their artistry have reminded me to approach my work with both heart and hope;
15. Everyone whose names I cannot mention individually, but whose support, guidance, and kindness have played a significant role in both my academic and personal growth. Though unspoken, your contributions are deeply appreciated and will always be remembered;
16. Lastly, I would like to thank myself for not giving up, even when the road was difficult. Thank you for pushing through late nights, self-doubt, and countless revisions. This thesis is a testament to my perseverance, hard work, and belief in my ability to grow and succeed. I am proud of myself.

The researcher also realizes that this thesis is still far from being perfect. Therefore, some suggestions and constructive criticisms are greatly expected to improve this thesis. Hopefully, this thesis will be useful for both the readers and the researcher.

Tasikmalaya, December 2024
