

ACKNOWLEDGEMENT

Praise and gratitude I pray to Allah *swt*. With His grace, I was able to complete this thesis. The title of the thesis that I submit is “Investigating Students’ Challenges and Solutions in Analyzing Formal Website Education Using Multimodal Analysis at Grammar in Multimodal Discourse Class”

This thesis was submitted to fulfill one of the requirements for getting the *Sarjana Pendidikan Degree* in the English education department, Faculty of Teacher’s Training and Educational Sciences, University of Siliwangi. It cannot be denied that it took a lot of effort to complete this thesis. However, this work would not be finished without my loved ones around me, who support and help. My thanks go to:

1. Head of the Department of English Education, Faculty of Teacher’s Training and Educational Sciences, University of Siliwangi, Tasikmalaya.
2. Mr. *Dr.H.* Soni Tantan Tandiana, *S.Pd.* as the first supervisor who has given suggestions and guidance in finishing this thesis.
3. Mrs. Metty Agustine Primary, *S.Pd.*, *M.Pd.* as the second supervisor who has given suggestions and guidance in finishing this thesis.
4. All lecturers of the English Education Departement, Faculty of Educational Sciences and Teachers’ Trainning, Siliwangi University Tasikmalaya.
5. All participants who gave their time to contribute to this reseach
6. All of my friends who have sincerely helped me in any conditions.
7. My beloved parents, my father, Mr. Marijan Lubis, and my mother, Mrs. Kasini, who has always been a source of strength and enthusiasm in my life. Thank you for the prayer that never broke up, sincere affection, and moral support and material that had been given throughout my education, especially in the completion of this thesis. All of these achievements will not be possible without your presence and sacrifice. May Allah *swt* always bestow health, happiness, and blessings on the lives of father and mother.
8. Thank you from the deepest heart to you, Muhamad Rizki, who always faithfully accompanied every step in the process of preparing this thesis.

When I'm tired, you are present as a spirit. When I doubt, you are present as an amplifier. Your support, prayer, and affection have become an important part that is irreplaceable in this struggle. Thank you for never being tired of understanding, accompanying me through long stressful nights, and always believing that I can finish it. Without you, maybe this trip will not be as strong and as calm as this.

9. And last, thank you to myself, who never stops going. Even though the world sometimes feels quiet, today you prove that the wound can heal, fatigue can subside, and dreams can be achieved patiently that are not broken. This thesis is not just a final assignment but the story of your courage against doubt, about the long nights that are now paid off. Thank you, O me, for choosing to survive when surrender feels easier. This trip is not over, but you have won in the most quiet war: against yourself. Keep stepping.

May all goodness and help all get blessings from Allah *swt*.
