

ACKNOWLEDGEMENTS

All praises and thanks are due to Allah SWT. for his blessing and mercy until this thesis entitled “Perceived Usefulness of the Halo Application in English Language Learning: An EFL Learner’s Perception” is completed.

This thesis can only be accomplished with confidence and support of some people, morally and materially, which made the author finally face and overcome the difficulties and obstacles to complete this thesis. On this occasion, the author would like to express my sincere gratitude to a few parties for the assistance, guidance, and encouragement so that the author can finish this thesis, namely:

1. Head of English Education Department, Faculty of Educational Sciences and Teacher’s Training, Siliwangi University, Tasikmalaya.
2. Dr. Yusup Supriyono, M.Pd. as the first supervisor who has provide guidance, suggestion, unwavering support, and motivation during the writing process.
3. Mr. Rahmat, S.Pd., M.Hum., as the second supervisor who has provide guidance, suggestions, support, and motivation throughout the writing process.
4. All lecturers of the English Education Department, Faculty of Educational Sciences and Teacher’s Training, Siliwangi University, Tasikmalaya.
5. My parents, for their material support and heartfelt prayers. Especially to my late father, who longed to see my graduation but passed away before I completed this journey.
6. My friends and fellow fighters, especially Intan Nanzila and Amalia Fitriani, for their generous help and unwavering support that enabled me to complete this thesis.
7. My brothers and sisters, for their constant encouragement and support that helped me complete this thesis.
8. My deepest gratitude to Rahman Aji Subrata for his unwavering support, love, and understanding throughout this journey. His belief in me has been a steady source of encouragement and strength.
9. All parties whom I cannot mention individually, thank you for your help and support in enabling me to complete this thesis successfully.
