

ACKNOWLEDGEMENTS

All glory and thanks go to Allah swt., the Almighty, who provides protection, guidance, love, and kindness. As a result of His blessings, the researcher could complete this undergraduate thesis entitled: Profiling Students' Listening Skill Through Song as an Instructional Media for Indonesian High School Students in ELT Classroom: A Case Study. A lot of people helped and guided the researcher in completing this proposal. Therefore, in this occasion the researcher would like to express gratitude to:

1. The honorable Head of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya;
2. The honorable Yusup Supriyono, S.Pd., M.Pd., as the first supervisor who has given guidance, pertains to the whole idea of this research proposal;
3. The honorable Yuyus Saputra, *M.Pd.*, as the second supervisor who has given guidance, pertains to the details of this research proposal;
4. All lecturers of English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya;
5. The researcher's parents who have given guidance, financial, and emotional supports;
6. The researcher's beloved family and friends who have been great help to the researchers during this bachelor's study;

Finally, the researcher would like to express the gratitude to everyone who has assisted and supported the researcher in completing this research proposal.

Tasikmalaya, January 2024
