

PREFACE

Praise and gratitude we send to Allah swt., who has poured His grace and His gift and bestowed me guidance, health, and patience so that the writing process of my research proposal entitled “Students' Perceptions of Using Subtitles in Vocabulary Learning through YouTube Educational Videos” is completed. It is submitted for getting Sarjana Pendidikan degree at the English Education Department of the Faculty of Educational Sciences and Teachers’ Training, Siliwangi University. This thesis is filled with background information, a literature review, and a methodology. The background information provides a context of the research which is ascended with a gap, formulation of the problems, significance of the research, and aims of the research. The literature review provides brief enlightenment about Learning Vocabulary through Subtitles and Educational Videos in YouTube. The research design used in this study is a case study. For that reason, the research design used in this study is a case study. Furthermore, the data was collected through semi-structured interviews, which are analyzed by thematic analysis.

Therefore, I will kindly accept any suggestions or criticism from the readers. Hopefully, this thesis will be useful not only for myself but also for all the readers, and it can inspire those who are searching for media technology for teaching English Language.
