

ACKNOWLEDGMENTS

All praise and gratitude are devoted to Allah swt., whose blessings and mercy have enabled me to complete this thesis entitled Improving Vocabulary Mastery for EFL Learners through Mobile-Assisted Language Learning with Duolingo. May peace and blessings also be upon the Prophet Muhammad saw., whose guidance continues to lead us toward truth and righteousness. This thesis is presented in partial fulfillment of the requirements for the *Sarjana Pendidikan* degree at the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.

On this occasion, I would like to express my special thanks to:

1. Dr. Yusup Supriyono, S.Pd., M.Pd. as the first supervisor, who has given corrections, guidance, and motivation in writing this thesis.
2. Fera Sulastri, S.Pd., M.Pd. as the second supervisor, who has given corrections, guidance, and motivation in writing this thesis.
3. All lecturers of the English Education Department, Faculty of Educational Sciences and Teachers' Training, Siliwangi University, Tasikmalaya.
4. My beloved parents, Cucu Hendrayani, as my mother, and Ano Sumarno, as my father, for their everlasting love, prayer, and support so that I can finish this thesis.
5. My brother and sister, who have given me support, love, and prayer in finishing this thesis.
6. My closest friend, but I can't write his name, who has loved, supported, and helped me in finishing this thesis.
7. My college best friends, members of *dokumen rahasia*, who always listened to my complaints, motivated me, and made me cheerful in completing this thesis.
8. All the participants who gave their time and assistance to contribute to this research

9. The last for myself, Zahrani. Thank you for not giving up, for staying strong, for surviving every struggle, and for doing a great job in completing this thesis.

In conclusion, I am aware that this thesis is not without its shortcomings. Therefore, I sincerely welcome any suggestions and constructive criticism for its improvement. Hopefully, this thesis will be better for it will be helpful for me and also the readers.
