

ACKNOWLEDGMENTS

All praise and gratitude to Allah SWT for giving grace and the opportunity to complete the thesis. The author would like to thank several parties who have provided support, assistance, guidance and advice so that this thesis research runs smoothly. Especially, on this occasion the author expresses his sincere gratitude to:

1. Mrs. Dr. Agis Andriani, S.Pd., M. Hum. as the first supervisor who has provided direction and advice that is very helpful in compiling this research.
2. Mrs. Dewi Rosmala, S.Pd., MA, PhD. as the second supervisor who has provided continuous input and support during the preparation of this research.
3. Participants who were happy to take the time and contribute by providing a lot of knowledge for this research.
4. Rector of University of Siliwangi and the Dean of the Faculty of Teacher Training and Education for their support and all the policies that allowed me to compile this research.
5. Department of English Education for providing meaningful facilities and opportunities for the process of preparing this research.
6. My family, especially my parents, I would like to thank you very much for your prayers and all forms of support given so that the preparation of this research can run smoothly.
7. Sulthon Khaidar Zibrani, someone from part of my life who is a 24/7 support system and gives strength, so that it can help me compile this research well.
8. TOTOD members who faithfully provide support and advice so as to make the preparation of this research feel light.
9. The members of TIM INTI who always give laughter and togetherness so that it becomes a source of enthusiasm for compiling this research.
10. Keluarga Cemara members who have provided many opinions and suggestions so that I can further develop new insights to compile this

research.

11. My class A friends who have shared their experiences and moral support so that I can focus and be diligent in compiling this research.
12. A source of knowledge and ideas that I get from various scientific papers, discussions, and academic networks that can support this research.
13. Myself for being able to persevere and strive to get to this research proposal stage with the determination and intention to keep developing and moving forward.

Tasikmalaya, July 2025
